

Established since 2009 in the heart of the Sophia Antipolis technopole (French Riviera), our **International Montessori School "Les Colibris"** is accredited by AMF (French representant of AMI) and ISMM (AMI training center), and signatory of the charter of the Montessori schools of France. Our vision is to help and inspire children to become fulfilled and committed individuals for a better world.

Nestled in a green setting, our school welcomes more than a hundred and fifty children in 7 bilingual Montessori classes (2-3 years, 3-6 years, 6-9 years, 6-12 years, 12-15 years). **We also recently took over two Montessori schools in the Paris region.**

As part of our development in Sophia Antipolis and now in Paris, we are looking for the start of the September 2022 school year, our next:

- **Montessori educator 3-6 years m/f, Anglophone** - AMI graduate on a full-time permanent contract in Sophia Antipolis or in Paris
- **Montessori educator 6-12 years m/f, Anglophone** - AMI graduate on a full-time permanent contract in Sophia Antipolis

Under the responsibility of the pedagogical director, you set up the pedagogy and the Montessori principles, with the aim of providing children with optimal conditions of discovery and learning. Responsible for the organization and management of your class and its activities, you also ensure regular communication with parents and participate in meetings and activities organized by the school.

Because "the quality of our School is above all the quality of our teachers", we want to welcome an AMI Graduate Educator or equivalent, with a first experience as a teacher, in France or internationally. Passionate about your job and having all the pedagogical and relational qualities essential to carry out your missions, you are strong in proposal and bring a real dynamic in teamwork.

We offer you:

- A pleasant and natural working environment (outdoor space of 3000 m<sup>2</sup>) in Sophia Antipolis
- Pedagogical support and training, both at the pedagogical level and as part of your personal development
- Work tools (complete teaching materials, learning monitoring and communication software, etc.)
- An attractive package of remuneration and benefits (Fixed salary + Profit sharing and Company Savings Plan + private healthcare + transport allowance + organic lunch + sports activities allowance)
- Prospects for development in the context of our school's development projects

Would you like to join us? We look forward to getting to know you!
