

Montessori teacher for 18 months old wonderful little person (in France)

Hello / Bonjour !

We are a French family, looking for a Montessori fully trained teacher, to take care of our 18 months old child, in France.

At home we practice gentle parenting and gender-neutral parenting. And we are 100% Montessori lovers!

We are seeking for a high standard, gentle, caring, patient, enthusiastic, compassionate and reliable person, with a real ability to welcome the child's emotions.

You are an English (or French) native speaker? You are creative? You are flexible? You have excellent communication skills with children and parents? You wish to work in France? Let's get in touch!

We offer a full time job, we can provide an independent studio-apartment. And you will often travel with us (in France / Europe).

Last, we are extremely cautious with Covid and take all the precautions that we can. We need to work with someone who accepts this level of prevention.

Please, send us an up-to-date CV, plus a few words about you.
