### Lead Montessori Elementary Teacher (Edinburgh, Scotland)

We are seeking a passionate Montessori Elementary teacher to teach 6-9 year olds in a small new Montessori school in Edinburgh from **August 2022** with the aim to teach up to age 12 in due course. This is an exciting opportunity for the right candidate, who will help shape the future of our school.

Our Nursery School is Edinburgh's longest-established Montessori childcare provider for children ages 2.5 - 6 and is rated 'very good' by the care inspectorate. We are privileged to have an incredibly supportive parent group who are delighted that we are now able to expand our provision into the elementary years

The Lead Elementary Teacher will be responsible for the preparation and daily running of our elementary class, for liaising with art and nature specialists, and for ensuring that opportunities meet the needs of children in this plane of development. Montessori Elementary training is essential and experience of working in a similar role is highly desirable. Strong and effective communication skills and a professional approach are required.

This position is full time during term time. Starting salary dependent on experience. Regrettably, we can only entertain candidates who do not require visas to work in the UK.

Please contact Trish on [info@themontessorinurseryschool.com](mailto:info@themontessorinurseryschool.com) with your CV and personal statement for further information.
